Tuesday 10th - New Intake in Cherry Class - 9.00am - 12.00pm
Tuesday 10th - Whole School Transition Morning

Word of the week

<u>Cherry</u>	<u>Maple</u>	<u>Holly</u>	<u>Willow</u>
share	fairness	grimaced	inevitable

Please find time over the next five days to help your child:

- Find the meaning
- Practise using it in a sentence
- Find a **synonym** (similar word) or **antonym** (opposite) of the word.

At Ditcheat Primary School the health, safety and well-being of every child is our top priority. We expect all staff, governors, parent/carers and volunteers to share this commitment to safeguarding our pupils.

Privacy Notice

We have updated our Privacy Notice in line with the updated GDPR (General Date Protection Regulations). It has been uploaded to our website and on our App.

Parking

Please could I ask that you park sensibly and avoid parking close to the school. Recent parking has made it difficult for local residents to leave and access their own properties. We would also ask that you do not park in the staff car park. Please allow plenty of time to arrive at school so you can park safely.

Reading

Due to KS1 and KS2 SATS taking place in the next couple of weeks, as well as teacher and headteacher interviews, there will be limited opportunities for group reading. Please take this opportunity to read other books with your children. Whole class reading sessions will still be taking place in individual classes during this period.

Thank You

Many thanks to the McLennan family for donating a projector screen for the hall.

Threadworms

Just to inform you that we have had a case of Threadworms. This is very common in children under 10 and your child does not need to stay away from school. If found, your child and family will need to be treated. It is very important that your child washes their hands after going to the toilet and before mealtimes. If you would like more information please follow this link:

<http://www.nhs.uk/Conditions/Threadworms/Pages/Introduction.aspx>

Our learning week ahead
