End of Term

As the end of term is drawing near the children will start to sort through their work they have done this school year. We are asking that children bring in a named plastic bag to help with the big sort and they can then take their work home.

Willow Play

We are approaching Willow class performance of The Tempest. Please don't forget that tickets are on sale from the office now and cost £2.

At Ditcheat Primary School the health, safety and well-being of every child is our top priority. We expect all staff, governors, parent/carers and volunteers to share this commitment to safeguarding our pupils.

Cherry Water Fight - 10/07/18

Cherry Class have been sharing stories of their paddling pool fun in the sun and have requested an end of term WATER FIGHT for their PE lesson. We will be challenging each other to a water fight on Tuesday 10th July 2018 (TOMORROW).

If your child is happy to get involved, please send them to school with a towel and a PE kit that **will** get wet. They can also bring in a **named** water gun or can use the water pots and pipes we have in school. PE kits and wellies will then be sent home for the summer holidays.

Book People

Just a reminder to say that the Book People have extended the date so you have until tomorrow to choose a book. Please leave your payment in the school office by 9.00am.

Reminder Holly Class Fete

On Monday 16th July, Holly class are hosting a school fete. This will be held out on the front lawn and children will be taken out, a class at time, to take part so please have their small change ready to spend in a named purse or envelope that day. Parents are welcome from 2:30pm with siblings.
