VW welcomed everyone

	Area of discussion	Action
1	<p>Health, Relationships and Sex Education Policy was read and discussed as was the curriculum statement for the policy (it had been previously shared on the app) – all happy and discussed the elements that had been removed from previous teaching.</p>	
2	<p>VW raised her concerns about safeguarding at the end of the school day and releasing the children out of the gate near the road. It had also been raised as a concern for the governing body.</p> <p>Discussed ways to practically overcome dismissing children and decisions:</p> <p>Cherry class collected at the Cherry garden gate  Maple class collected at the main entrance  Willow and Holly class collected at the Willow fire escape door</p> <p>Parents to wait on the path or front garden  Younger siblings to be collected first and older ones to wait until family member comes with younger sibling  All families to be made aware that their child will not be allowed home without a parent or named person. If there is a change, the school must be informed in advance</p> <p>At the start of the day there are also safeguarding concerns with family members coming into school without signing in. We agreed that, for the safety of children, this will need to stop but up until half term Cherry class children families to come in with their children but they must sign in. There will always be someone on the door to talk to should there be any issues.</p> <p>VW will put this information in the next news letter and on the app as a reminder</p> <p>Discussed Ditchheat star assembly – there will always be someone on the door as people arrive and depart</p> <p><i>Questions were asked about the playground gates and security</i>  VW explained that the safeguarding team at county are funding new Cherry garden gates and playground gates as well</p>	<p>VW to share with families</p>

	<i>Question was asked if it was possible to alarm the fire exits</i>	VW to get a quote for it
