

WHEN DO THESE STEPS APPLY?

This document does not apply to complaints about:

- Pupil admissions
- Pupil exclusions
- EHC Plans
- Disciplinary issues relating to members of staff

Each of these follows its own process of complaints and appeals which are outlined in their relevant policies.

If there is an allegation or concern about physical or sexual misconduct towards a child, or there is a belief that a child may be at risk of serious harm, the school will immediately refer the case to child protection and welfare services. If it is decided that there is cause for an official investigation, the decisions by these authorities will supersede those made by the school and outlined in this document.

Where the complaint relates to a safeguarding referral made by a member of staff at the school, any consideration of that complaint by the school will be limited to a review of the reasonableness of the decision to make the referral in light of the evidence available to the member of staff at that time and in light of the school's safeguarding policies.

For more information on our school's provision for protecting our pupils, read our **child protection and safeguarding policy**, and the **whistleblowing policy**.

Anonymous complaints will not be examined under this document.

ALWAYS REMEMBER

It is in the best interests of everyone to get any complaint resolved as quickly as possible.

PARENTAL COMPLAINTS

A QUICK GUIDE

OUR COMPLAINTS PROCEDURES

Ditcheat Primary School is dedicated to providing the best possible education and support for all its pupils. This means having a clear, fair, and efficient procedure for dealing with any complaints from parents to or against the school, so that any issues that arise can be dealt with as swiftly and effectively as possible.

THE COMPLAINT TABLE EXPLAINED

The table laid out over the next two pages explains how complaints should be made and how concerns can be escalated if the parent feels that their problem has not been correctly addressed.

This table is intended to make the complaint process easier to understand and ensure that complaints are made to the correct person, in the correct way at the correct time.
