### **Headteachers update**

Dear Parents/Carers,

It is wonderful to see the children this week. I was thrilled by the work so many of them did about Storm Eunice. There was such a range of activities from poems to 3D models. Lotty the Ladybug has gone to live with Grace Oliver.

From next Monday, we will revert to LIVE Ditchet Stars. We will start at 2.30pm as this will also be a farewell Assembly for Miss Knowles.

I thought the best way to focus our minds on the events in Ukraine was to help those people who find themselves displaced and in refugee camps. You were emailed with a list of items that may, if you wish, be dropped into the lobby. I will take them to The George Hotel in Castle Cary on Friday morning. They are organising distribution to the refugee camps. I am not sure how much to expect, but knowing how kind and generous you all are, I may need help transporting, so if you are about on Friday morning, and if it looks more than a car load, could you help from 10am?

Watch this space for a football match for our Key Stage One football team. I will be talking to Dan Love at the Key Stage 2 second leg match after school today. I am sorry but I need to cancel the club for the younger children who play with me next Monday so that I can attend the Willow Residential Meeting.

The children really enjoyed the pancake races yesterday. Thanks to Gill Cooper for organising, and Mrs Clarkson for making every child a pancake, plus the pancakes to toss.

Very warmest wishes,

Michelle Heap
